

Benches

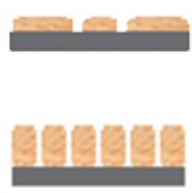

Greenfield Benches

- Benches suitable for locker rooms, canteens & public seating.
- Due to an increased demand, Greenfield have widened their range and options available.
- Seat options in both wood and steel have been increased for wall and floor benches.
- Canteen benches are now available from 2 to 8 seaters.
- Wood finishes are available in meranti (standard), pine or a wood of your choice.
- Various wood seat styles are available. These are suitable for park benches and picnic benches.
- Steel finishes include plain or perforated seats and tops in painted, galvanised or stainless steel.
- The steel legs can be manufactured in angle iron, round tubing, or square tubing.
- This enlarged range enables you to select the right bench for your application.
- Further information and product details are available by referring to specific bench sections of this catalogue.
